Total Score

*denotes pilot also loses any positive points accrued in that round and is grounded for the remainder of the round

** on first violation pilot is grounded for the remainder of the round but does not loose any positive points accrued for round on second violation pilot is grounded for event and loses all positive points for that round.

Events using the optional carrier landing should add this score to each round total.

Pre-Flight Check verifies aileron/elevator direction and transmitter model selection when appropriate.
